

## Nanotechnology and Innovation in the Baltic Sea Region

# NIBS conference 2019

Nanotechnology | Innovation | Baltic Sea Region

International Annual Conference  
June 5 – 8, 2019, Poznań, Poland  
NanoBioMedical Centre,  
Adam Mickiewicz University

Topics:  
Plasmonics  
Nanotech for food  
Nanotech for energy  
Functional nanomaterials  
and more

Enhance  
your  
network

Science,  
industry,  
politics

Increase  
your  
visibility

The NIBS 2019 annual conference offers:

- state-of-the-art stimulating presentations
- matchmaking events
- a dialogue platform between experienced and young researchers from industry and academia

The conference is grouped into three topical days:

NIBS Innovation Day (Wednesday, June 5)

Joint Symposium (Thursday, June 6)

Joint Young Researchers Forum (Saturday, June 8)

NIBS and NanoTech Poland 2019

NIBS is co-hosted by the NanoTech Poland 2019 international conference and exhibition.

Participants of NIBS can join talks, activities and the exhibition of the NanoTech Poland conference.

For further information and registration  
visit [nanotechpoland.amu.edu.pl](http://nanotechpoland.amu.edu.pl)

Conference organizers:

North German Initiative Nanotechnology Schleswig-Holstein e.V.,  
Kiel University (Germany), Mads Clausen Institute at the University of  
Southern Denmark, Kaunas University of Technology (Lithuania),  
NanoBioMedical Centre at the Adam Mickiewicz University (Poland).
